Membership is considered elapsed when either of the following happens:

2. A standing order monthly subscription has not been received for 60 days.

Advisory re Camogie Membership

Ballyholland Harps GAC and Ballyholland Camogie Club are each separate clubs with their own constitutions and membership.

Obviously, there is a symbiotic relationship between the clubs, and one of the primary drivers in the creation of **Club Ballyholland** was to allow for integrated membership.

But, members of both clubs are advised that unless you are a Club Ballyholland then you only a member of the club(s) to which you directly pay membership fees.

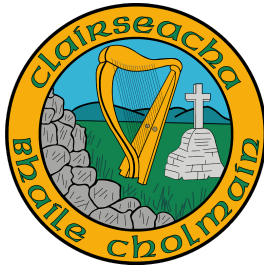

Advisory re Membership and Ticketing / Voting

The membership options described above were streamlined then approved by our members at the 2019 AGM.

With paid-up membership (including the elapse period) clearly defined, the purpose of that motion was to provide our committee with a clear instruction for how the following mechanisms are employed:

1. The allocation of restricted, member-only tickets.
2. Who can vote at AGMs and EGMs.
